Dear Mr. Johnson & Ms. Sowinski:

We are in receipt of your July 23, 1990 letter concerning the Site Wide Health and Safety Plan submittal that was originally due June 27, 1990. As was discussed with your staff in Inter-Agency Agreement (IAG) discussions, we were planning on submitting the Site Wide Health and Safety Plan on August 15, 1990, as per the latest IAG schedules. This document was submitted to you on that date.

We realize that there was some confusion on the submittal date of this document. In the near future, once the IAG and schedules are finalized, this miscommunication should not be a problem.

If you have any questions, please contact Richard Schassburger of my staff on 966-4888

Sincerely,

David P. Simonson
